The diagram illustrates a side view of a lighting fixture assembly. It features two main horizontal sections separated by a central gap. The left section has a length dimension of 232 and is labeled "LED BAR 고정 센터 - 375L". The right section also has a length dimension of 232 and is labeled "LED BAR 고정 센터 - 750L". A vertical dimension of 375 spans the distance between the centers of these two bars. At the bottom, there are circular mounting holes. On the far right, a detailed inset shows a cross-section of a component with a width of 45 and a height of 32. This component is identified as "조각 알루미늄 케이스" (Aluminum Case Part) and is associated with the label "LED BAR - 10000K (누드&블립&적타입) = 1900L".
